- 6.2. **Cooperation.** Customer agrees to provide PortX with such cooperation, materials, information, access and support which PortX deems to be reasonably required to allow PortX to successfully provide the Services and Support and Maintenance, including, without limitation, as may be set forth in an applicable Order Form. Customer understands and agrees that PortX's obligations hereunder are expressly conditioned upon Customer providing such cooperation, materials, information, access and support. Additionally, Customer understands and agrees that PortX may share Customer information with its Representatives (as defined in Section 10) for the purpose of providing Support and Maintenance.
- 6.3. **Results.** Under this Agreement PortX provides only the Software and Services and Support and Maintenance with respect to such Software. PortX does not provide any warranty on, and does not provide Support and Maintenance on, the Results. As a non-exclusive example, in order for Customer effectively to use Results, Customer may need to license, modify and install Third Party Solution Components. PortX may provide Customer with links and instructions for obtaining Third Party Solution Components or provide access to them but it is Customer's sole responsibility to properly license and install any required Third Party Solution Components from the relevant third party providers. PortX will have no liability with respect to any Third Party Solution Components. If applicable, prior to PortX starting any Services that require the use of Third Party Solution Components, Customer will provide documentation to PortX confirming that Customer can provide the rights necessary to allow PortX to modify the Third Party Solution Component software if necessary.

If the parties do not execute a separate Statement of Work, the Services shall be provided as stated on the Order Form. Customer will reimburse PortX for reasonable travel and lodging expenses as incurred.

8. Limitation of Remedies and Damages

- 8.1. PortX SHALL NOT BE LIABLE FOR (I) ANY COST OF COVER OR ANALOGOUS COSTS RELATED TO THE PROCUREMENT OF REPLACEMENT SERVICES; OR (II) ANY LOSS OF USE, LOST DATA, FAILURE OF SECURITY MECHANISMS, INTERRUPTION OF BUSINESS, OR ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING LOST PROFITS), REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE.
- 8.2. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, PortX'S TOTAL AGGREGATE LIABILITY UNDER THIS AGREEMENT SHALL BE LIMITED TO PROVEN DIRECT DAMAGES CAUSED BY PortX'S SOLE NEGLIGENCE IN AN AMOUNT NOT TO EXCEED THE FEES ACTUALLY PAID BY CUSTOMER TO PortX UNDER THIS AGREEMENT DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE OF THE CLAIM.
- 8.3. OTHER THAN CLAIMS FOR SUBSCRIPTION FEES AND INTEREST THEREON, A MISAPPROPRIATION OF THE OTHER PARTY'S INTELLECTUAL PROPERTY OR BREACH OF CONFIDENTIAL INFORMATION, NEITHER PARTY SHALL BRING ANY CLAIM BASED ON OR ARISING UNDER THIS AGREEMENT (INCLUDING WITHOUT LIMITATION, CLAIMS RELATING TO THE SOFTWARE OR THE HOSTED SERVICES) MORE THAN TWELVE (12) MONTHS AFTER THE CAUSE OF ACTION ACCRUES.

- 9.1. Indemnity by PortX. PortX will have the exclusive right to defend any such Infringement Claim and make settlements thereof at its own discretion, and Customer may not settle or compromise such Infringement Claim, except with prior written consent of PortX.
- 9.2. Options. Should any Software or the Hosted Solution become, or in PortX's opinion be likely to become, the subject of such an Infringement Claim, PortX shall, at its option and expense, (a) procure for Customer the right to make continued use of the Software or the Hosted Solution, (b) replace or modify such so that it becomes non-infringing, or (c) request return of the Software or termination of the access

to the Hosted Solution, and upon such request the corresponding licenses under Attachment 1 or 2 shall be terminated and PortX shall refund the price paid by Customer for the Subscription Term in which the Infringement Claim was asserted, less a pro rata portion of the Subscription fee reflecting that portion of the Subscription Term that was fulfilled prior to termination.

- 9.3. Exclusions. PortX will have no obligation for claims of infringement resulting from (i) any modification of the Software by a party other than PortX if such infringement would have been avoided in the absence of such modifications; (ii) Customer's failure, within a reasonable time frame, to implement any replacement or modification of Software or Hosted Solution provided by PortX; (iii) any combination, operation, or use of the Software or Hosted Solution with any products, equipment, software, hardware, data, or business processes not supplied by PortX, including without limitation Third Party Solutions Components, Customer Data, Log Data and Results, (iv) use for a purpose or in a manner for which the Software or Hosted Solution were not designed, (v) any intellectual property right owned or licensed by Customer, excluding the Software or the Hosted Solution or, (vi) PortX's compliance with any materials, designs, specifications or instructions provided by Customer, (vii) Customer using the Software or the Hosted Solution after PortX notifies Customer to discontinue using due to such a claim, or (viii) third party open source software.
- 9.4. Indemnity by Customer. Customer shall defend PortX against any third party Infringement Claim to the extent that they arise from any combination of Software or the Hosted Solution provided by PortX with products, data or business processes not supplied by PortX, and indemnify PortX for any damages, attorney fees and costs finally awarded against PortX as a result of, or for any amounts paid by PortX under a court-approved settlement of, an Infringement Claim against PortX; provided that PortX (a) promptly gives Customer written notice of the Infringement Claim against PortX; (b) gives Customer sole control of the defense and settlement of the Infringement Claim against PortX (provided that no such settlement shall require any act or omission of PortX and provided that Customer may not settle any Infringement Claim against PortX unless the settlement unconditionally releases PortX of all liability); and (c) provides to Customer all reasonable assistance, at Customer's expense. Customer will have the exclusive right to defend any such Infringement Claim and make settlements thereof at its own discretion, and PortX may not settle or compromise such Infringement Claim, except with prior written consent of Customer.
- 9.5. Limitation. THIS SECTION STATES THE SOLE AND EXCLUSIVE REMEDIES AND ENTIRE LIABILITY FOR INFRINGEMENT CLAIMS

Each party will only disclose Confidential Information to its employees, agents, representatives, partners and authorized contractors (collectively "Representatives") having a need to know for the purposes of this Agreement. Each party will notify and inform such Representatives of each party's limitations, duties, and obligations regarding use, access to, and nondisclosure of Confidential Information and will obtain or have obtained its Representatives' agreements to comply with such limitations, duties, and obligations with regard to such Confidential Information no less restrictive than those contained herein. Each party is liable for all acts and omissions of the Representatives related to the other party's Confidential Information. Each party agrees to give notice to the other party immediately after learning of or having reason to suspect a breach of any of the proprietary restrictions set forth in this Section. The Receiving Party acknowledges that disclosure of Confidential Information would cause substantial harm for which damages

alone would not be a sufficient remedy, and therefore that upon any such disclosure by the Receiving Party the Disclosing Party shall be entitled to appropriate equitable relief in addition to whatever other remedies it might have at law.

11. **Insurance.** PortX shall maintain insurance at all times during the term of this Agreement as it deems adequate in its reasonable judgment, provided that such insurance shall be adequate to address any customarily insurable liabilities which may arise under this Agreement, and which shall consist of the following coverages in the following minimum limits: general liability with a minimum limit of \$10 million per occurrence and \$20 million aggregate; professional liability with a minimum limit of \$10 million; cyber liability with a minimum limit of \$10 million per occurrence and \$20 million aggregate; and umbrella liability with a minimum limit of \$10 million. Upon Customer request, PortX shall procure from its insurer(s) and provide certificates of insurance evidencing its compliance with the foregoing requirements, which name Customer as an additional insured, and have a current A.M. Best rating of A VIII or better. PortX shall provide at least 30 days' prior written notice to Customer if any insurance policy listed in the certificates of insurance is terminated prior to the date of its expiration. Upon request, PortX shall provide Customer with evidence of renewal for any subsequent periods of coverage for the policies described above.
12. **Business Continuity Plan.** PortX shall maintain a business continuity plan ("Business Continuity Plan") and implement and execute such Business Continuity Plan during a time of emergency or disaster. PortX shall perform an exercise of the Business Continuity Plan at least once per year. If the Business Continuity Plan exercise fails to meet any of the success or other criteria set forth therein, then PortX will promptly remedy any identified failures and within thirty (30) days of the initial exercise, conduct another exercise of the Business Continuity Plan. PortX shall provide a copy of its Business Continuity Plan and the results of any exercise thereunder to Customer at Customer's request. Upon request, PortX shall provide Customer, the most recent disaster recovery testing results.
13. **General**
 - 13.1. **Severability.** If any provision of this Agreement shall be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision shall be limited to the minimum extent necessary so that this Agreement shall otherwise remain in effect.
 - 13.2. **Governing Law.** This Agreement shall be governed by the laws of the State of Delaware and the United States without regard to conflicts of laws provisions thereof, and without regard to the United Nations Convention on the International Sale of Goods or the Uniform Computer Information Transactions Act (UCITA).
 - 13.3. **Attorneys' Fees and Costs.** The prevailing party in any action to enforce this Agreement will be entitled to recover its attorneys' fees and costs in connection with such action.
 - 13.4. **Notices and Reports.** Any notice or report hereunder shall be in writing to the notice address set forth above and shall be deemed given: (i) upon receipt if by personal delivery; (ii) upon receipt if sent by certified or registered U.S. mail (return receipt requested); or (iii) one day after it is sent if by next day delivery by a major commercial delivery service.
 - 13.5. **Amendments; Waivers.** No supplement, modification, or amendment of this Agreement shall be binding, unless executed in writing by a duly authorized representative of each party to this Agreement. No waiver will be implied from conduct or failure to enforce or exercise rights under this Agreement, nor will any waiver be effective unless in a writing signed by a duly authorized representative on behalf of the party claimed to have waived. No provision of any purchase order or other business form employed by Customer will supersede the terms and conditions of this Agreement, and any such document relating to this Agreement shall be for administrative purposes only and shall have no legal effect.
 - 13.6. **Application; Entire Agreement.** This Agreement shall govern all of Customer's purchases of Subscriptions and Services from and after the Effective Date. This Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements and communications relating to the subject matter of this Agreement. This Agreement also

supersedes all terms any “shrink-wrap” or “click wrap” license included in any package, media, or electronic version of PortX-furnished software and any such Software shall be licensed under the terms of this Agreement. Notwithstanding any contrary provision therein, Customer Purchase Orders will be for the sole purpose of confirming for Customer’s internal records the quantities, prices and other terms applicable to a purchase of Subscriptions and Services in an Order Form, which Order Form(s) shall be the sole instrument forming a particular transaction hereunder between the parties.

13.7. Precedence. In the event of a conflict between two provisions that appear in the body of this Agreement, in any of the Exhibits or Attachments hereto, or in any Order Form, the conflict shall be resolved by giving precedence to the provision as it appears in the highest-ranked document in the following order: (1) the relevant Order Form (but only if the Order Form expressly states that it supersedes the other contradictory provision(s) of the other document(s)); then (2) the body of this Agreement; then (3) the Attachments to this Agreement; then (4) the Exhibits to this Agreement.

13.8. Audit Rights.

13.8.1. With respect to Subscriptions that are covered by Attachment 1 to this Agreement, Customer will maintain accurate records as to its use of the Software as authorized by this Agreement, for at least two (2) years from the last day on which Support and Maintenance expired for the applicable Software. PortX, or persons designated by PortX, will, at any time during the period when Customer is obliged to maintain such records, be entitled to audit such records and to ascertain completeness and accuracy, in order to verify that the Software is used by Customer in accordance with the terms of this Agreement and that Customer has paid the applicable license fees and Support and Maintenance fees for the Software, provided that: (a) PortX may conduct no more than one (1) audit in any twelve (12) month period; (b) any such audit shall be subject to a mutually agreed upon non-disclosure agreement negotiated in good faith and entered into by the parties (including any third party agent PortX may use in connection with such audit); (c) the audit will be conducted during normal business hours; and (d) PortX shall use commercially reasonable efforts to minimize the disruption of Customer’s normal business activities in connection with any such audit. PortX, or persons designated by PortX, shall not have physical access to Customer’s computing devices in connection with any such audit, without Customer’s prior written consent. Customer shall promptly pay to PortX any underpayments revealed by any such audit. Any such audit will be performed at PortX’s expense, provided, however, that Customer shall promptly reimburse PortX for the cost of such audit and any applicable fees if such audit reveals an underpayment by Customer of more than five percent (5%) of the license amounts payable by Customer to PortX for the period audited.

13.8.2. Upon reasonable notice, Customer, the Customer’s prudential regulators, or Customer’s authorized agent, may audit PortX’s records and information for the limited purpose of determining PortX’s compliance with this Agreement and applicable law. PortX shall have an independent SSAE18 SOC 2 Type 2 control audit conducted on PortX.

13.9. Independent Contractors. The parties to this Agreement are independent contractors. There is no relationship of partnership, joint venture, employment, franchise or agency created hereby between the parties. Neither party will have the power to bind the other or incur obligations on the other party’s behalf without the other party’s prior written consent.

13.10. Force Majeure. Neither party shall be liable to the other for any delay or failure to perform any obligation under this Agreement (except for a failure to pay fees) if the delay or failure is due to events which are beyond the reasonable control of such party, including but not limited to any strike, blockade, war, act of terrorism, riot, natural disaster, failure or diminishment of power or of telecommunications or data networks or services, or refusal of approval or a license by a government agency.

13.11. Assignment. Neither party may assign any part of this Agreement without the written consent of the other, except that either party may assign this Agreement in connection with a merger, acquisition, asset sale, or corporate reorganization. Any other attempt to assign is void.

13.12. Government End-Users. The Software and accompanying Documentation are deemed to be “commercial computer software” and “commercial computer software documentation”, respectively, pursuant to DFAR Section 227.7202 and FAR Section 12.212(b), as applicable. Any use, modification, reproduction, release, performing, displaying or disclosing of the Software and Documentation by the

U.S. Government shall be governed solely by the terms of this Agreement. This product was developed fully at private expense. All other use is prohibited.

- 13.13. **Export Compliance.** Customer may not export or re-export the Software except in compliance with the United States Export Administration Act and the related rules and regulations and similar non-U.S. government restrictions, if applicable. Customer acknowledges that the Software is subject to export restrictions by the United States government and import restrictions by certain foreign governments. 11. **Relevant Records and Audit Rights.**

Upon Customer’s request, PortX shall promptly make available to Customer all information reasonably necessary to demonstrate compliance with this Addendum.

In addition to any audit rights granted pursuant to the Agreement, PortX shall allow for and contribute to audits, including inspections, by Customer or an auditor mandated by Customer (“**Mandated Auditor**”) of any premises where the Processing of Customer Personal Data takes place in order to assess compliance with this Addendum, and shall provide reasonable access to the Mandated Auditor to inspect, audit, and copy any relevant records, processes, and systems documents in order that Customer may satisfy itself that the provisions of this Addendum are being complied with.

12. **International Data Transfer.** No Customer Personal Data shall be transmitted or stored outside of the United States of America.
13. **Liability.** Notwithstanding anything to the contrary in the Agreement, PortX shall indemnify Customer for any third party claim that arises out of, or relates to, a breach of this Addendum.
14. **General Terms.** Any obligation imposed on PortX under this Addendum in relation to the Processing of Personal Data shall survive any termination or expiration of this Addendum. Should any provision of this Addendum be invalid or unenforceable, then the remainder of this Addendum shall remain valid and in force. The invalid or unenforceable provision shall be either: (a) amended as necessary to ensure its validity and enforceability, while preserving the intent of the provision as closely as possible or, if this is not possible, (b) construed in a manner as if the invalid or unenforceable part had never been contained therein. Customer and PortX expressly recognize and agree that this Addendum includes provisions addressed in other portions of the Agreement. Customer and PortX hereby agree that the terms and conditions set out herein shall be added as an Addendum to the Agreement. This Addendum and the other portions of the Agreement shall be read together and construed, to the extent possible, to be in concert with each other. In respect of any conflict between the Agreement and this Addendum, the provisions which provide the greatest protection of the Customer Personal Data shall prevail; provided, however, that in no event shall this Addendum be deemed to eliminate, limit, or otherwise diminish PortX’s obligations or commitments to Customer under portions of the Agreement.
